.....

About the program

This group program promotes healthy living and aims to help patients integrate aspects of both psychological and physical recovery. It focuses on topics such as nutrition, diet, exercise, balanced lifestyle, motivation, goal setting, community engagement and exposure, community based activities and mindfulness.

.....

When is it held?

Please enquire with North West Private Hospital's Rivendell Clinic treatment team.

.....

How to join

Patients interested in attending this program will need a referral to a Psychiatrist with admission rights to North West Private Hospital.

.....

How much does it cost?

Patients are admitted as a day patient and as such, can claim their attendance via their health fund. We ask that patients confirm any applicable out-of-pocket excess or gap costs directly with North West Private Hospital.
